WARRANT FOR ANNUAL TOWN MEETING

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To any of the Constables of the Town of Wayland, in said County:

GREETINGS:

In the name of the Commonwealth you are required to notify and warn the inhabitants of said Town qualified to vote in town elections to meet at their repective polling places on

MONDAY, MARCH 6, 1933

at six o'clock in the forenoon, there and then to bring in their ballots for a Moderator, Town Clerk, three Selectmen, a Treasurer, a Collector of Taxes, a Surveyor of Highways, a Tree Warden, and seven Constables, all for one year.

One Member of the School Committee, one Cemetery Commissioner, one Commissioner of Trust Funds, two Trustees of Public Library, one Member of the Board of Public Welfare, one Assessor, one Member of the Board of Health, one Water Commissioner, one Park Commissioner, and two Members of the Planning Board, all for three years.

All the foregoing to be voted on the official ballot. The polls will be open at 6.15 in the forenoon and will remain open continuously until four o'clock in the afternoon, when they shall be closed.

And you are required to notify and warn the inhabitants of said town qualified to vote in town affairs to meet at the Town Hall on

WEDNESDAY, MARCH 8, 1933

at 7.45 P. M., then and there to act on the following articles, viz:

Article 1. To hear the reports of Town Officers, Agents and Committees, and act thereon.

Article 2. To choose all necessary Town Officers, Agents and Committees not elected by the official ballot.

Article 3. To grant money for necessary Town purposes.

Article 4. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1933, and to issue a note or notes therefor, payable within one year, and to renew such note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws, any debt or debts incurred under this Article to be paid from the revenue of the financial year beginning January 1, 1933.

The Finance Committee recommends approval of this article.

Article 5. To see if the Town will appropriate and assess the sum of \$2,019.16 to pay the following 1930, 1931 and 1932 bills which were presented for payment after the Town books were closed, or do or act.

Assessors' Department

Daniel Brackett	\$84.00
-----------------	---------

Fire Department

Rent of Tower of the Methodist Church in Cochituate for 1930	50.00
---	-------

Rent of the Tower of the Methodist Church in Cochituate for 1931	50.00

City of Quincy	92.00
----------------	-------

Vocational Tuition	
City of Boston	46.32
City of Newton	193.42
	<hr/>
	\$2,019.16

The Finance Committee recommends that these bills be paid.

Article 6. To see if the Town will accept the following gift: \$100.00 received from Elsie S. Bull to establish the "Elsie S. Bull Fund" income from which to be used for perpetual care of Lots No. 52 and 53, Section F, Lake View Cemetery.

The Finance Committee recommends approval of this article.

Article 7. To see if the Town will accept the following gift: \$100.00 received from Alice C. Maude to establish the "Alice C. Maude Fund" income from which to be used for perpetual care of Lot No. 12, Section G, Lake View Cemetery.

The Finance Committee recommends approval of this article.

Article 8. To see if the Town will vote to accept, during 1933, gifts for welfare purposes, same to be expended by the Board of Public Welfare or do or act.

The Finance Committee recommends approval of this article.

Article 9. To see if the Town will appropriate \$260.00 for general improvement in any of the Cemeteries, same to be taken from money in the Town Treasury received from the sale of Burial Lots in 1932, in accordance with Chapter 114, Section 15, of the General Laws, or do or act.

The Finance Committee recommends approval of this article.

Article 10. To see if the Town will appropriate for "Water Department Maintenance" the sum of \$6,350.33 to be taken from Water Department receipts reserved for appropriation in 1932, or do or act.

The Finance Committee recommends the approval of this article and that this appropriation shall be expended as follows: \$4,000.33 for general main-

tenance; \$1,000.00 for driving three new wells; \$700.00 for overhauling engine and pumps; \$650 for painting inside of standpipe and installing cleanout door. (\$3000 has been recommended from fire hydrant income for general maintenance which is not included in this article.)

Article 11. To see if the Town will appropriate for payment of Water Department Extension Notes maturing in 1933 the sum of \$1,890.00 to be taken from Water Department receipts reserved for appropriation in 1932, or do or act.

The Finance Committee recommends approval of this article.

Article 12. To see if the Town will appropriate for payment of interest due in 1933 on Water Department Extension Notes the sum of \$2,050.60 same to be taken from Water Department receipts reserved for appropriation in 1932, or do or act.

The Finance Committee recommends approval of this article.

Article 13. To see if the Town will appropriate a sum sufficient to pay the County of Middlesex as required by law on account of assessments levied on the Town for its share of the principal of the Middlesex County Tuberculosis Hospital Funding Loan, Act of 1932, bonds maturing in 1933 issued in compliance with Chapter 10, Acts of 1932; also for any other indebtedness, incurred and outstanding under said Chapter 10; also for the Town's share of interest on said bonds due in 1933; also for the care and treatment of tubercular patients under Acts of 1928, Chapter 385, as amended by Acts of 1932, Chapter 60; also for care, maintenance and repair of said Hospital for 1932 including interest on temporary notes issued therefor in accordance with General Laws, Chapter 111, sections 85 and 85A, and for all other expenses in connection therewith, determine how the money shall be raised, or in any way act thereon.

The Finance Committee recommends approval as this is compulsory by Middlesex County.

Article 14. To see if the Town will appropriate and assess the required amount of money and arrange for notes to pay the balance to build an elementary school in Wayland Center as per plans submitted by the building committee, and add two rooms to the Cochituate School, or do or act.

The Finance Committee does not recommend this article. See the Committee's report.

Article 15. To see if the Town will appropriate and assess sufficient money to build a High School and arrange for notes to pay the balance as per plans submitted by this committee, or do or act.

The Finance Committee does not recommend this article. See the Committee's report.

Article 16. To see if the Town will vote to appropriate and assess the sum of \$500.00 to be used by the Wayland Water Board to build and install toilet facilities and dressing rooms for bathers at Baldwin's Pond Reservation, as recommended by the Massachusetts Department of Public Health.

Whereas the Finance Committee recognizes possible merits of this article, due to present financial condition the article is not recommended.

Article 17. To see if the Town will accept the gift of the land substantially triangular in shape bounded approximately as follows: Southerly by the State Road, Northwesterly by Pelham Island Road, Easterly and Northerly by land formerly of Mellen, more recently of Bennett, and Easterly again by Main Street, said land being situated directly West across Main Street from the new Town Hall Lot, formerly the Wayland Inn property, and being sometimes known as the Heater Piece, to be used for a Public Park, and will authorize the acceptance thereof by the Board of Selectmen, or do or act.

The Finance Committee in recommending this article feel that the acceptance of the gift will be a decided benefit to the Town.

Article 18. To see if the Town will vote to extend a six inch water main with the fire hydrants, gates and fittings along Waltham Road from Concord Road to the residence of Leslie B. Reid, a distance of about 400 feet, or do or act.

The Finance Committee recommends that this article be referred to the Water Board for its report at the next annual meeting.

The Water Board has advised that it is impossible with the present facilities to extend the water system until specific repairs are made and addi-

tional wells installed. The committee advises a careful study be made of extensions relative to cost and revenue receivable on all future extensions to the system.

Article 19. To see if the Town will vote to extend the water system down Oxbow Road a distance of about 1500 feet, or do or act.

The Finance Committee makes the same recommendation for this article as for Article 18.

Article 20. To see if the Town will vote to appropriate the necessary sum of money to extend a six inch water main in Hawthorn Road.

The Finance Committee makes the same recommendation for this article as for Article 18.

Article 21. To see if the Town will vote to accept *Castle Gate South* as the same has been laid out and filed by the Selectmen, work to be done under the Betterment Act, to take by right of Domain such land as may be necessary for doing said work; appropriate or borrow money to pay for the same, or otherwise act thereon.

The Finance Committee recommends approval of this article provided all releases are obtained, legal requirements met and that the cost of this work does not exceed \$1000.

Article 22. To see if the Town will appropriate and assess a certain sum of money for six inch water main, with necessary hydrants and valves, running from Old Connecticut Path along Stone Bridge Road, to Riverview Terrace and including Overlook Road, Riverview Circle and Shore Drive, or do or act.

The Finance Committee makes the same recommendation for this article as for Article 18.

Article 23. To see if the Town will authorize the School Committee or some other Committee to sell the motor and pump in the Center School Building and to dispose of such other appurtenances connected with the old water system, or do or act.

The Finance Committee recommends that this article be approved.

Article 24. To see if the Town will assess and appropriate a sum of money for support of athletics as now carried on for the boys in connection with the high school, or do or act.

The Finance Committee feels that the interest of the school should be sufficient so that the ways and means of supporting athletics be found by the students.

Article 25. To see if the Town will appropriate and assess the sum of \$525.25 to reimburse Arthur D. Dooley for expenses incurred; due to an accident to Mary A. Dooley in the Wayland High School Building, or do or act.

The Finance Committee reports on advise of the Town Counsel that the Town has no authority to make any appropriation under this article.

Article 26. To see if the Town will vote to provide a drainage system for the village of Cochituate or any portion thereof; make provision to carry out the work in such manner as may relieve unemployment or as may otherwise serve the best interests of the Town; authorize the acquirement of any necessary land or easements; and make an appropriation therefor, or do or act.

The Finance Committee recommends the approval of this article, the appropriation not to exceed \$3,000.00 and the work to be done under the direction of the Board of Health, the labor to be done by the unemployed, provided that all easement and necessary release of property or land damage be secured without expense to the Town.

Article 27. To see if the Town will vote to improve the junction of Millbrook Road, Plain Road, and Glen Road, authorize the acquirement of any necessary land by purchase or otherwise, and make an appropriation therefor or do or act.

The Finance Committee recommends the approval of this article and that \$200.00 be taken from Highway appropriation for this work.

Article 28. To see if the Town will vote to appropriate and assess a sum of money for the relocation and reconstruction of Cochituate Road from Five Paths, so called, south to the residence of Samuel MacKenna, according to plans to be recommended by the county engineers, or do or act.

The Finance Committee recommends the approval

of this article provided this work is completed at an expense not exceeding \$4000 to the Town and that the work be stopped if this appropriation is exhausted before the work is completed.

Article 29. To see if the Town will vote to appropriate and assess a sum of money for the relocation and reconstruction of Concord Road from the end of the present Chapter 90 road north, according to plans to be recommended by the county engineers, or do or act.

The Finance Committee does not approve this article, present conditions do not warrant any further expenditure on highways.

Article 30. To see if the Town will vote to appropriate and assess a sum of money for the relocation and reconstruction of Concord Road at Clay Pit Hill, according to plans to be recommended by the county engineers, or do or act.

The Finance Committee does not approve this article, present conditions do not warrant any further expenditure on highways.

Article 31. To see what sum, if any, the Town will vote to transfer from available funds to meet any of the appropriations made under the foregoing articles.

The Finance Committee recommends such action as may be suggested by the Town Treasurer.

And you are required to serve this Warrant by posting copies thereof, attested by you, at the Town Hall, at each Post Office in Town, and in the Engine House at Cochituate, seven days, at least, before the time of holding said election.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk on or before March 6, 1933.

Given under our hands and seal this twenty-ninth day of January in the year of our Lord, one thousand nine hundred and thirty-three.

JOHN W. LEAVITT,
J. FRED WHEELER,
WILLARD C. HUNTING,
Selectmen of the Town of Wayland.

A true copy, attest:

Constable of the Town of Wayland.

REPORT OF THE FINANCE COMMITTEE

The Finance Committee here present to the citizens a few facts and figures regarding the finances of the Town. All figures have been supplied by Town Officers or taken from Town reports.

Comparative Expenditures

	1919	1923	1928	1932
General Administration				
Salaries and incidentals	\$4,900.00	\$5,059.24	\$9,165.00	\$9,625.10
Protection of Life and				
Property	2,900.00	4,899.91	5,000.00	6,209.55
Tree Warden	100.00	150.00	150.00	900.00
Health	325.00	1,600.00	725.00	1,392.50
Highways, Bridges, and				
Sidewalks	7,200.00	6,800.00	23,525.00	26,970.85
Oiling Highways	2,500.00	6,000.00	8,000.00	10,000.00
Street Lighting	3,000.00	4,000.00	4,800.00	6,000.00
Moth Extermination	967.98	500.00	1,750.00	1,500.00
Charities and Support of				
Poor	1,600.00	700.00	550.00	14,968.60
Education—Vocational				
School	19,175.00	38,942.23	46,650.00	48,586.95
Libraries	1,700.00	3,300.00	3,800.00	4,000.00
Soldiers' Benefits	125.00	400.00	1,600.00	2,774.76
Cemeteries	500.00	800.00	1,525.00	1,825.00
Bonds and Notes Payable	3,900.00	3,000.00	7,105.26	14,555.80
Tuberculosis Hospital				1,178.96
Other expenditures make the				
following totals:	\$55,278.78	\$83,026.38	\$129,595.26	\$167,142.07

Percentage increase since 1919

1923	50 9/10 per cent
1928	134 4/10 per cent
1932	202 4/10 per cent

Total valuation of Town 1928	\$5,247,197	Tax Rate	\$18.80
Total valuation of Town 1932	5,794,907	Tax Rate	23.50
Percentage increase	10 4/10 per cent		25 per cent

Tax Collections. Uncollected taxes amount to \$99,625.27.

The following schedule gives the figures for the past four years:

		1929		
Levy			\$130,202	
Uncollected	1928			\$14,102
	1929			51,674
		1930		
Levy			\$122,978	
Uncollected	1929			\$9,598
	1930			45,730
		1931		
Levy			\$160,471	
Uncollected	1930			\$18,512
	1931			73,070
		1932		
Levy			\$136,180	
Uncollected	1931			\$33,504
	1932			57,007

The Town now holds tax titles on 82 pieces of property and more properties will be sold in the immediate future unless the taxes are paid. The Town Treasurer is able to collect the taxes in many instances where tax titles have been taken, but this necessitates delay and puts the Town to additional expense.

Many tax payers of the Town have the habit of slow tax payment. Where most towns have the current year's taxes collected to within 20 percent of the commitment by December 31st, our Town is in the position of having about 40 percent of its commitment uncollected on December 31st. In addition to this, the amount of uncollected taxes of the years preceding the current year has greatly increased in the last four years as shown by the figures given above.

Tax collections are the sole basis on which banks fix the interest rate when loaning money to a town. Consequently the Town of Wayland was forced to pay 6 percent in its Anticipation of Tax Collection Notes in 1932; whereas most other towns were able to borrow at a far better rate of interest. Wellesley borrowed last year at 68/100 of 1 percent from their

local bank and recently borrowed at 69/100 of 1 percent from the Second National Bank of Boston. Our Town Treasurer with the approval of our Selectmen generally borrows from the Natick banks; however in 1932 the Town did borrow from a Boston concern but was forced to pay the same high rate of interest for the same reason.

If our unpaid taxes had amounted to only 20 percent of the commitment on December 31st, 1932, and if there had not been the unpaid back taxes, the Town would have been able to borrow its money in 1933 for 2 percent or better.

In 1933 there are \$60,000 of notes to be met from the collections of the \$99,625.27 unpaid taxes now overdue.

In view of the high rate of interest which the Town is forced to pay on its notes and the \$60,000 of notes which have to be met, the Finance Committee recommends that the Tax Collector rigidly enforce the payment of taxes by the use of all the legal rights of the Town.

The Water Department has not reached a self-sustaining position. An appropriation of \$5,277.99 had to be made for water main extension notes in 1932 and the sum of \$3500 will have to be appropriated in 1933. This is a burden on all taxpayers of the Town in addition to the \$3000 appropriated by the Town for hydrant service.

Many extensions have been made which are far from being self-supporting.

Uncollected water bills amount to \$5,611.34. These uncollected bills are a further burden on all taxpayers and an indirect burden on all persons paying rent in the Town.

The Water Department reports that until specific repairs are made and new wells added no more extension service can be supplied with water. During the past summer months there were times when by twenty-four hour operation of the pumps barely three feet of water could be maintained in the tank.

The Finance Committee recommends:

1. That there be a more strict enforcement of payment of water bills. That water be shut off when bills are overdue and that the taker be charged with the expense. That the enforcement of the lien against the real estate be resorted to when necessary to enforce collection. That bills be rendered quarterly instead of semi-annually (believing that it will be easier for takers to pay a smaller amount).

2. That in future a more careful investigation of proposed extensions be made in regard to expense and sure income.
3. That the Water Department be put on a self-sustaining basis as to cost of extensions, replacements, retirement of bonds, payment of interest and all other expenses of the Department.

Those using water should realize that water wasted is money wasted and means taxable expense.

The Welfare Department is having unprecedented demands made upon it and it has become one of the Town's most expensive departments. The Finance Committee favor and recommend that a suitable person be appointed at an annual salary of \$600 whose duty it shall be to investigate properly and thoroughly all applications, to follow-up systematically all cases, to keep proper records and to make necessary reports of the department.

The Welfare Department this year requests \$14,000 for General Welfare and \$6500 for Old Age Assistance.

With such an amount of money involved this Department should be organized for the greatest efficiency and economy, as at best the burden is heavy.

There should be close and intelligent cooperation between the Welfare Department and other Departments employing the men. The placing and employing of men from the Welfare Department should be carefully planned and supervised in regard to persons employed, extent of employment and work to be done so that the largest number of people will be aided and the taxpayers will receive the greatest possible benefit for the money expended.

The Finance Committee recommend a credit wage of \$2.75 per day for this labor.

Unemployment Labor. The Finance Committee recommends that the Clerk of the Welfare Department act as Director of Unemployment Labor and that the wages paid for such labor employed on Town projects be \$2.75 per day.

It should be kept in mind that probably all of the taxpayers have had their incomes reduced or stopped so that the additional tax burden caused by the Welfare Department and unemployment labor means a very real hardship to the majority of those supplying the money for this work.

Expenditures in General. The Town has already indebtedness of \$102,300 on which it is paying interest. The Finance Committee believe that the erection of new school buildings and any other project not necessary to provide work, worthy and needed as the projects may be, should be postponed until our tax collections and our Excess and Deficiency Fund are in shape so that the Town can borrow the money required on a better basis than at present; also until the taxpayers are better able to bear the increased burden, as every thousand dollars added to appropriations means an increase in the tax rate of about twenty cents.

We are informed that the Town may expect to receive at least one third less from the State and County than was received last year.

The Finance Committee urges thoughtful and intelligent consideration of these facts by the citizens and departments of the Town as this Committee feels that the Town is in no condition to do anything except that which is absolutely necessary and that that must be done with the greatest efficiency and economy.

ELMER F. MATHEWS,

Finance Committee, Town of Wayland.

REPORT OF FINANCE COMMITTEE FOR THE YEAR 1933

Your committee respectfully calls your attention to the fact that the total of this year's budget is \$139,937.90, a decrease of \$1,097.30 from last year's recommendations.

The difference in these amounts will cause a slight variation in the tax rate. The amount of uncollected taxes as of January 1, 1933, was \$99,625.27 and of Water Bills was \$5,611.34.

Your committee respectfully submits the following report.

	1932		1933	
	<i>Appropriation</i>		<i>Expenditures</i>	<i>Balance</i>
				<i>Recom'ded</i>

Water main extension note of 1931				2,500.00
				<hr/> \$139,937.90

* Overdraft

We recommend that the unexpended balances in the following accounts be transferred to "Excess and Deficiency" account.

Millbrook Road Bridge Reconstruction	\$.05
Improvement of Recreational Facilities at Baldwin's Pond	2.07
Addition to Wayland Pumping Station	.74
	<hr/>
	\$2.86

We recommend that the Town appropriate and assess the sum of five hundred and eighty-nine dollars and eighty-one cents (\$589.81) to meet the overdraft in the "Interest" account.

1. The Finance Committee recommends that the publication of the Town Valuation List be omitted this year which will cause a saving to the Town of \$500.00.

2. The Finance Committee recommends a salary of \$500.00 be paid to the Town Accountant as there has been a large increase of work in this department.

3. The Finance Committee recommends that the Assessors per diem wage rate be reduced 10%.

4. The Finance Committee recommends that the Chief of Police salary be \$1,620.00 per year and that he assumes the duties as Dog Officer.

5. The Finance Committee recommends that the Safe in the Water Department be transferred to the Tax Collector's Department for his use.

6. The Finance Committee recommends that the wages of Town labor as required by the Statutes be fixed by the various department heads not in excess of the rate paid by the State.

7. The Finance Committee recommends that the income from the dog taxes be given to the following—one-half to the School Educational Fund and one-half to the Library Fund.

Based upon the figures and recommendations of the Finance Committee the tax rate will be approximately \$27.00 per thousand.

Respectfully submitted,

WILLIAM S. LOVELL,
ARTHUR W. BRADSHAW,
WILLIAM J. SCOTLAND,
JOHN B. HOLT,
ELMER F. MATHEWS,
Finance Committee, Town of Wayland.

VOTES ENACTED AT THE ANNUAL TOWN MEETING, MARCH 9, 1932

Town Clerk's Office,*
Wayland, Massachusetts,
March 9, 1932.

Pierpoint Blair, Moderator:

Pursuant to the foregoing warrant the inhabitants of the Town of Wayland met this day and did the following business.

Article 1. To hear the reports of Town Officers, Agents and Committees, and act thereon.

Voted to accept reports of Town Officers.

Article 2. To choose all necessary Town Officers, Agents and Committees not elected by the official ballot.

Voted that John Connelly, Isaac Damon and Howard W. Parmenter act as Trustees of the Allen Fund.

Voted that the Selectmen act as Fence Viewers.

Voted that the Constables act as Field Drivers.

Howard Haynes, Melville Loker, William S. Lovell, Israel A. Lupien and Arthur F. Marston were elected Surveyors of Lumber.

Arthur W. Atwood, Joseph Decatur, William S. Lovell, Israel A. Lupien and Arthur F. Marston were elected Measurers of Wood and Bark.

The following were elected members of the Memorial Day Committee:

James I. Bryden

Civil War Veterans

Thomas W. Frost and George B. Howe

Spanish War Veterans

William Hardy, Frank C. Moore, Thomas Murray, John Wright and William F. McCafferty.

World War Veterans

Frank C. Burke, John Cipoletta, Ernest H. Damon, Arthur Heard Dudley, Parker H. Groton, Cornelius J. McGuire, Joe Perodeau and Percy A. Steele.

Article 3. To grant money for necessary Town purposes.

Voted unanimously to appropriate and assess the sums of money enumerated in the Finance Committee's Report with an addition of \$200 for repairs to Library and to adopt recommendations therein contained.

Voted that the unexpended balances of the following accounts :

Valuation Lists	\$ 9.30
Town Hall Repairs and Equipment	113.83
Improvement at Mansion Inn Corner	4.05
Sidewalk, West Plain Street	1.45
Sidewalk, East Commonwealth Road	.15
Sidewalk, Concord Road	4.29
Street Signs	1.75
	\$134.82

be transferred to "Excess and Deficiency Account."

Voted that the money received from dog licenses be divided one-half to the Library Fund and one-half to the School Educational Fund.

		\$873.37

All of which were presented for payment after the Town books were closed.

Article 6. To see if the Town will accept the following gift: \$1,000.00 received from Charles W. Dean to establish the "Charles W. Dean Fund", income from which to be used for perpetual care of Mausoleum and Lot No. 38, Section E, Lake View Cemetery.

Voted unanimously to accept the foregoing bequest.

Article 7. To see if the Town will accept the following bequest: \$50.00 received from F. Lawrence Bulfinch, Executor under will of Helen M. Carter, widow of Andrew O. Carter, to establish the "Helen M. Carter Fund", income from which to be used for perpetual care of Lot No. 10, Section E, Lake View Cemetery.

Voted unanimously to accept the foregoing bequest.

Article 8. To see if the Town will accept the following gift: \$100.00 received from Charles W. Dean to establish the "H. W. Dean Fund", income from which to be used for the perpetual care of Lot No. 29, Section B, Lake View Cemetery.

Voted unanimously to accept the foregoing gift.

Article 9. To see if the Town will accept the following gift: \$100.00 received from Mrs. Kathryn I. Jones and Henry M. Kelley to establish the "Jones-Kelley Fund", income from which to be used for the perpetual care of Lots Nos. 98 and 99, Section C, Lake View Cemetery.

Voted unanimously to accept the foregoing gift.

Article 10. To see if the Town will accept the following bequest: \$125.00 received from Mrs. Nellie T. Rogers, left under the will of Herbert P. Cochane, to establish the "Herbert P. Cochrane Fund", income from which to be used for the perpetual care of Lot No. 11, Section B, Lake View Cemetery.

Voted unanimously to accept the foregoing bequest.

Article 11. To see if the Town will accept the following bequest: \$100.00 received from the Harvard Trust Company left under the will of Isaac C. Damon to establish the "Isaac C. Damon Fund", income from which to be used for perpetual care of the family lot in the North Cemetery.

Voted unanimously to accept the foregoing bequest.

Article 12. To see if the Town will accept the following gift: \$100.00 received from Nellie Rice Fiske to establish the

"Nellie Rice Fiske Fund", income from which to be used for the perpetual care of the Nellie Rice Fiske lot in Lake View Cemetery.

Voted unanimously to accept the foregoing gift.

Article 13. To see if the Town will accept the following bequest: \$1,000.00 received from the Harvard Trust Company left under the will of Isaac C. Damon "to the Town of Wayland in trust to hold the principal safely invested and the income to be expended from year to year for the purchase of books other than novels, for the Public Library of said Town" fund to be known as the "Isaac C. Damon Library Fund."

Voted unanimously to accept the foregoing bequest.

Article 14. To see if the Town will appropriate \$225.00 for general improvement in any of the Cemeteries, same to be taken from money in the Town Treasury received from the sale of Burial Lots in 1931, in accordance with Chapter 114, Section 15 of the General Laws, or do or act.

Voted unanimously to appropriate \$225.00 for general improvement in any of the Cemeteries, same to be taken from money in the Town Treasury received from the sale of Burial Lots in 1931, in accordance with Chapter 114, Section 15, of the General Laws.

Article 15. To see if the Town will appropriate for "Water Department Maintenance" the sum of \$6,661.60 to be taken from Water Department receipts reserved for appropriation in 1931, or do or act.

Voted unanimously that the sum of \$6,661.60 be appropriated for Water Department Maintenance, said sum to be transferred from Water Department receipts reserved for appropriation in 1931.

Article 16. To see if the Town will appropriate for payment of Water Department Extension Notes maturing in 1932 the sum of \$1,500.00 to be taken from Water Department receipts reserved for appropriation in 1931, or do or act.

Voted unanimously that the sum of \$1,500.00 be appropriated for the payment of Water Department Main Extension Notes of that amount maturing in 1932, said sum to be transferred from Water Department receipts reserved for appropriation in 1931.

Article 17. To see if the Town will appropriate for pay-

ment of interest due in 1932 on Water Department Extension Notes the sum of \$2,421.72, same to be taken from Water Department receipts reserved for appropriation in 1931, or do or act.

Voted unanimously that the sum of \$2,421.72 be appropriated for payment of interest due in 1932 on Water Department, Main Extension Notes, said sum to be transferred from Water Department receipts reserved for appropriation in 1931.

Article 18. To see if the Town will appropriate and assess the sum of \$327.00 to provide for overdraft created by penalty for failure to make returns as provided in Section 35, Chapter 117, General Laws.

Voted unanimously that the sum of \$327.00 be appropriated and assessed to pay overdraft created by penalty for failure to make returns as provided in Section 35, Chapter 117, General Laws.

Article 19. To see if the Town will vote to reduce the salaries of all Town Officers which have been increased since the Annual Meeting of 1920, ten per cent, or do or act.

Voted not to reduce the salaries of all Town Officers.

Vote: No 159; Yes 60.

Article 20. To see if the Town will vote to establish a new scale of wages for Town Laborers, or do or otherwise act thereon.

Voted not to establish a new scale of wages for Town Laborers.

Vote: No 160; Yes 78.

Article 21. To see if the Town will vote to appropriate and assess a sum of money for the relocation and reconstruction of Cochituate Road from Legion Square north, according to plans to be recommended by the County Engineers, or do or act.

Voted not to pass over the Article.

Vote: No 111; Yes 84.

Voted that the Town appropriate and assess the sum of \$12,000 to be expended under the direction of the Selectmen for the purpose of relocating and reconstructing Main Street from Legion Square in a northerly direction, said sum to be expended in co-operation with the Commonwealth of Massa-

chusetts and the County of Middlesex in accordance with the provisions of the General Laws.

Vote: Yes 173; No 74.

Article 22. To see what action the Town will take with regard to the use of Chapter 80 of the General Laws and amendments thereto, authorizing the assessment of betterments in connection with the acceptance of streets, the construction of sidewalks and other public improvements.

Voted unanimously that it is the sense of the Town that in the acceptance and building of new streets, of sidewalks, and similar public improvements which may benefit limited areas, betterments should be assessed in accordance with the provisions of Chapter 80 of the General Laws and amendments thereto.

Article 23. To see if the Town will vote to appropriate and assess a sum of money to be used to extend the sidewalk on West Plain Street on the southerly side, to the junction of Old Connecticut Path, or do or act.

Voted to pass over the Article.

Article 24. To see if the Town will vote to accept as a public way, the private way on the northerly side of West Plain Street, Cochituate, and running from West Plain Street to Lake Shore Drive, known as Castlegate Road, South, or do or act.

Voted to refer this matter to the Selectmen and Highway Surveyor.

Article 25. To see if the Town will vote to accept as a public way, the private way known as "Mansion Road," or do or act.

Voted to refer this matter to the Selectmen.

Article 26. To see if the Town will vote to accept as a public way the private way known as Hawthorne Road, and to appropriate and assess a sum of money for repairs on Hawthorne Road, or do or act.

Voted to refer this matter to the Selectmen.

Article 27. To see if the Town will vote to extend a six-inch water main with fire hydrants, gates and fittings along the following roads: From the Wayland Golf Club along Old Sudbury Road to River Road, through River Road to the residence

of James Solemine and also from the junction of River Road and Water Row, along Water Row to the residence of Frederick Gilly, and raise and appropriate money therefor, or do or act.

Voted that the Town appropriate and assess the sum of \$300 for the extension of a six inch water main with fire hydrants, gates and fittings along the following roads, from Wayland Golf Club along Old Sudbury Road to River Road, through River Road to the residence of James Solemine and also from the junction of River Road and Water Row, along Water Row to the residence of Frederick Gilly and that the sum of \$2,778.75, the unexpended balance of loan money on hand borrowed for the extension of Water Main on Cochituate Road, be transferred and used for this extension.

Vote: Yes 142; No 22.

Article 28. To see if the Town will vote to appropriate and assess the sum of \$300.00 to be spent by the Board of Water Commissioners for providing at Baldwin's Pond, bath houses, two toilets and sewage disposal system for same, as recommended by the State Department of Public Health.

Voted to pass over the Article.

Article 29. To see if the Town will vote to raise and appropriate a sum of money to meet the Town's share of the cost of constructing a hospital for the Middlesex County Tuberculosis District, determine how the money shall be raised, or act anything in relation thereto.

Voted unanimously that the sum of \$11,178.96, being the amount of the assessment already made for the Town's proportion of the cost of the construction and equipment of the Middlesex County Tuberculosis Hospital be and the same is hereby appropriated and that of said amount the sum of \$10,000 be funded as authorized by Chapter 10 of the Acts of 1932, said sum to be paid in substantially equal installments over a period of ten years in accordance with the provisions of said Chapter 10, and that the balance \$1,178.96 be raised in the tax levy of the present year, and the Town Clerk be, and she hereby is, directed to file with the County Commissioners promptly a copy of this vote.

Article 30. To see if the Town will appropriate and assess a sum of money to be spent by the Committee for the observance of the two hundredth anniversary of the birth of George

Washington to purchase a suitable marker to mark the site of the George Washington Highway.

Voted that the Town appropriate and assess the sum of \$150.00 to be spent by the Committee for the observance of the two hundredth anniversary of the birth of George Washington to purchase a suitable marker to mark the site of the George Washington Highway.

Article 31. To see if the Town will vote to relocate and reconstruct Millbrook Road or any portion thereof; rebuild the bridge over the brook, or make other improvements; acquire any necessary land by purchase or otherwise, and make an appropriation therefor, or do or act.

Voted unanimously that the Town appropriate and assess the sum of \$575.00 to rebuild the bridge on Millbrook Road.

Article 32. To see what action the Town will take on the matter of better facilities for housing of school children.

Voted that a committee of five, consisting of one member of the Board of Selectmen, to be chosen by that Board, one member of the School Committee, to be chosen by that Committee, and three members to be chosen by the Moderator, bring in at the next Town Meeting plans and estimates for building an elementary school in Wayland Center, and such other recommendations as the committee may suggest.

Article 33. To see if the Town will vote to appropriate and assess the sum of \$3,000.00 for the purpose of installing manhole, painting the interior and exterior, also an aerial sign marked "Wayland" on the top of standpipe, or do or act.

Voted to pass over the Article.

Vote: Yes 76; No 40.

Article 34. To see if the Town will elect a director to serve in co-operation with the Middlesex County Trustees for County Aid to Agriculture in the work of the Middlesex County Extension Service, under the provisions of Section 40 to 45, Chapter 128, General Laws of Massachusetts.

Voted unanimously that Mr. John J. Erwin act as Director in co-operation with the work of the Middlesex County Extension Service.

Article 35. To see what the Town will take with regard to the adoption of a zoning ordinance in accordance with the

provisions of Chapter 40 of the General Laws and amendments thereto, appoint a committee to study the matter, or do or act.

Voted that the Moderator appoint a committee of not less than eight nor more than twelve citizens to study the matter of a zoning ordinance for Wayland in consultation with the Planning Board, said committee to report not later than the next Annual Meeting.

Article 36. To see if the Town will take action relative to the revision of Article 6 of the By-Laws of the Town.

Voted to pass over the Article.

Article 37. To see what sum, if any, the Town will vote to transfer from available funds to meet any of the appropriations made under the foregoing article.

Voted to pass over the Article.

Voted to dissolve the meeting at 11.35 P. M.

A true copy, Attest:

M. ALICE NEALE,
Clerk of the Town of Wayland.

Question No. 1

LAW PROPOSED BY INITIATIVE PETITION

Shall the proposed law which defines and legalizes the practice of chiropractics; establishes a board of registration of chiropractors and defines the number, mode of appointment, tenure, qualification and compensation of its members, and its powers and duties; provides for the preliminary qualifications, examination, certification, original registration and annual license of chiropractors and regulation of their practice, and defines the mode, subjects of and fees for examination, the mode of practice and penalties; and other matters related thereto, which are chiefly as follows:

That chiropractic be "the science or practice of locating and adjusting by hand the malpositions of the articulations of the human spine."

That any person, with one preceding year's residence in this Commonwealth and with degree from a qualified chiropractic school received at least one year prior to the date when this law takes effect, may, within ninety days after such date, be certified by the board at its discretion without examination.

That otherwise no person, except a member of the board of registration, shall practice chiropractic unless, being over twenty-one years of age, of good moral character and graduated from a reputable chiropractic school after personally attending courses of at least twenty-two hundred sixty-minute daylight hours given to persons qualified to graduate from a public high school, he shall qualify by examination, pay a fee of twenty-five dollars and be registered and certified; except that any person licensed in another State maintaining standards equal to those of this Commonwealth may be registered without examination.

That the examination be scientific and practical in character, in subjects including anatomy, physiology, symptomatology, hygiene, sanitation, chemistry, histology, pathology, chiropractic analysis, and the principles and practice of chiropractic.

That the board may, after hearing, revoke a certificate for cause.

That the board shall make an annual report and shall keep public records of its proceedings and of the names of persons examined or registered by it and of the names and addresses of all registered chiropractors, who shall pay an annual license fee, promptly notify the board of any change in address and furnish such other information as the board may require.

That the board consist of three members, residents of the Commonwealth for three years, graduates of a chartered chiropractic school having power to confer degrees in chiropractic, to be appointed by the governor, with the advice and consent of the council, for a term of three years.

That the board have authority to administer oaths, summon witnesses and take testimony and adopt reasonable rules and regulations pertaining to their duties, and that they pay into the state treasury fees received by them, and that they receive compensation and reimbursement for expenses in such amounts as may be annually appropriated therefor not exceeding the amount of such fees.

Penalties are provided for practicing chiropractic without holding a certificate or for using the words "Chiropractic Practitioner", the letters "D.C.", or any titles or letters indicating engagement in such practice, or for buying, selling or fraudulently obtaining any diploma or record of registration.

It is further provided that the present law relating to the registration of physicians and surgeons and providing penalties for the unauthorized practice of medicine shall not be held to discriminate against registered chiropractors; but no chiropractor, unless registered as a physician or surgeon, may practice obstetrics, or administer drugs, or perform surgical operations by the use of instruments, or hold himself out as and for other than a chiropractor,

which was disapproved in the House of Representatives by a vote of 50 in the affirmative and 151 in the negative and in the Senate by a vote of 13 in the affirmative and 21 in the negative, be approved?

Question No. 2

LAW PROPOSED BY INITIATIVE PETITION

Shall the proposed law, which provides for an additional method of nominating candidates for nomination, at the state primaries in September, by members of political parties, for those offices to be filled by all the voters of the Commonwealth at a state election.

It provides that the state conventions of the political parties, in each state election year, shall be held before and not after the state primaries, as now, namely, not later than June 15. In

order to elect delegates to such party conventions, party primaries are established to be held on the last Tuesday in April. Among other things, these state conventions may endorse candidates for offices to be filled by all the voters and to be voted upon at the state primaries. Such endorsement places a candidate in nomination, at such state primaries, without the necessity of filing nomination papers. The name of the endorsed candidate is to be placed first on the ballot and against his name is to be placed the words "Endorsed by (the name of political party) convention" in addition to the eight-word statement now authorized by law. Candidates endorsed by a party convention may accept said endorsement within ten days, and having so accepted may not withdraw.

It also provides for the election of district members of state committees and members of ward and town committees at the proposed party primaries in April, as well as delegates to the state party conventions, instead of at the state primaries in September, as now.

It also provides for the election of delegates to national conventions (to nominate candidates for President) at the proposed party primaries instead of at the primaries, now specially held for that purpose, and which existing law requires to be held on the last Tuesday in April (the same day proposed for the proposed party primaries).

It also provides for certain other new provisions of law and certain changes in existing laws, relating to holding state conventions and party primaries, the number and election of delegates to state conventions, the number of members at large of a state committee, and other matters, which in more detail chiefly are as follows:

State conventions are to be composed solely of delegates elected at the party primaries, and the number is to be one from each ward and town and one additional for every fifteen hundred votes or major fraction thereof above the fifteen hundred votes cast at the preceding state election in such ward or town for the political party candidate for Governor, instead of a number now fixed by the state committee of each party (not less than one from each ward or town) and certain members designated by existing law.

The time, for notice to the State Secretary by aldermen or selectmen of their determination to hold primaries by wards, precincts or groups of precincts, to be March 1, instead of August 1, as now.

The names of candidates for election for delegates to a state convention and for district members of a state committee to be arranged individually by alphabet instead of in groups arranged by lot, as now.

Vacancies in the office of delegate to a state or national convention not to be filled except in case of a tie vote, and then by delegates from the same district, within ten days, and if no other delegate or if not so filled, then by a state committee, rather than solely by the remaining members of the delegation; and statement of filling of such vacancy to be filed with the State Secretary.

Seating of delegates at state conventions to be in groups by senatorial districts, and order of business at said conventions defined.

Voting on candidates by a convention, to be by roll call, if more than one candidate for the office, or by groups of delegates unless any member of such group objects.

The number of members at large of a state committee of a political party to be fixed by the state convention of a party instead of by the state committee, as now.

The existing provisions as to preparation and filing of nomination papers, objections to nominations, preparation, number, substance, arrangement and form of ballots, hours during which polls shall be open, opening of ballot boxes, canvass and return of votes, return and certification of votes, now applicable to state primaries to be applicable to the proposed party primaries.

The power of a state committee to fix the number of district delegates to a national convention to be continued, but the date, of giving notice to the State Secretary, of such fixation to be March 1 instead of on or before the third Wednesday in March, as now.

The power of city and town committees to fix the number of members of ward and town committees to be continued, but the date, of giving notice to the State Secretary, of such fixation to be March 1 instead of August 1, as now, which was approved in the Senate by a vote of 21 in the affirmative and 17 in the negative and was disapproved in the House of Representatives by a vote of 62 in the affirmative and 138 in the negative, be approved?

Question No. 3

PROPOSED AMENDMENT TO THE CONSTITUTION OF THE UNITED STATES

Is it desirable that the proposed amendment to the Constitution of the United States,—

“Article—

“Section 1. The terms of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives at noon on the 3rd day of January, of the years in which such terms would have ended if this article had not been ratified; and the terms of their successors shall then begin.

“Section 2. The Congress shall assemble at least once in every year, and such meeting shall begin at noon on the 3rd day of January, unless they shall by law appoint a different day.

“Section 3. If, at the time fixed for the beginning of the term of the President, the President elect shall have died, the Vice President elect shall become President. If a President shall not have been chosen before the time fixed for the beginning of his term, or if the President elect shall have failed to qualify, then the Vice President elect shall act as President until a President shall have qualified; and the Congress may by law provide for the case wherein neither a President elect nor a Vice President elect shall have qualified, declaring who shall then act as President, or the manner in which one who is to act shall be selected, and such person shall act accordingly until a President or Vice President shall have qualified.

“Section 4. The Congress may by law provide for the case of the death of any of the persons from whom the House of Representatives may choose a President whenever the right of choice shall have devolved upon them, and for the case of the death of any of the persons from whom the Senate may choose a Vice President whenever the right of choice shall have devolved upon them.

“Section 5. Section 1 and 2 shall take effect on the 15th day of October following the ratification of this article.

“Section 6. This article shall be inoperative unless it shall have been ratified as an amendment to the Constitution by the legislatures of three-fourths of the several States, within seven years from the date of its submission,”—be ratified by the General Court?

DISTRICT VOTE FOR REPRESENTATIVE

Concord, Massachusetts.

November 18, 1932.

The Clerks of the Towns comprising the 13th Middlesex Representative District met this day at Concord, Massachusetts, and counted and tabulated the votes cast for representative in said District on November 18, 1932, as follows:

	Concord	Lincoln	Sudbury	Weston	Wayland	Total
Anthony J. Doherty, of Lincoln, Dem.	940	245	89	338	430	2,042
B. Farnham Smith, of Concord, Rep.	1,832	393	452	1,085	759	4,521
Blanks	240	51	66	124	140	621
Total Vote	3,012	689	607	1,547	1,329	7,184

WILLIAM D. CROSS, *Town Clerk of Concord.*

WILLIAM H. DAVIS, *Town Clerk of Lincoln.*

FRANK F. GERRY, *Town Clerk of Sudbury.*

BRENTON H. DICKSON, JR., *Town Clerk of Weston.*

M. ALICE NEALE, *Town Clerk of Wayland.*

Respectfully submitted,

M. ALICE NEALE,

Town Clerk.

STATE RECOUNT FOR LIEUTENANT GOVERNOR AND SECRETARY

A Petition for a Recount of the votes cast for Lieutenant Governor and Secretary in the State Election of November, 1932, was filed with the Town Clerk. All interested parties were notified the Recount would take place at 7 P. M., Town Hall, Wayland, on December 8, 1932. All the Registrars were present with five representatives for Mr. John E. Swift, Candidate for Lieutenant Governor, and four members of the Republican Town Committee representing Mr. Frederic W. Cook, Secretary of State, and Mr. Gaspar G. Bacon, Candidate for Lieutenant Governor.

The ballots were counted and corrections in Precinct 1 were as follows: Mr. Swift lost one vote in Block 8 and gained one vote in Block 9 making the total count the same as reported. James W. Dawson lost one vote and Walter S. Hutchins gained one vote. Mr. Buckley lost five votes, Mr. Cook gained three and Mr. Coolidge gained one vote.

The entire count of Precinct 2 remained unchanged as previously given.

Respectfully submitted,

M. ALICE NEALE,
Clerk of Board of Registrars.

STATE AUDIT

September 1, 1932.

To the Board of Selectmen,
Mr. John W. Leavitt, *Chairman*,
Wayland, Massachusetts.

Gentlemen :

I submit herewith my report of an audit of the books and accounts of Wilbur C. Gorman, late collector of the Town of Wayland, for the period from April 1, 1931, to August 15, 1932, made in accordance with the provisions of Chapter 44 of the General Laws. This is in the form of a report made to me by Mr. Edward H. Fenton, Chief Accountant of this Division.

Very truly yours,

THEODORE N. WADDELL,

Director of Accounts.

Mr. Theodore N. Waddell,
Director of Accounts,
Department of Corporations and Taxation,
State House, Boston.

Sir :

In accordance with your instructions, I have made an audit of the books and accounts of Wilbur C. Gorman, late collector of the Town of Wayland, for the period from April 1, 1931, the date of the previous audit, to August 15, 1932, and submit the following report thereon :

The collector's books and accounts for the levies of 1926 to 1929, inclusive, were examined and checked in detail, the outstanding accounts being marked for recommitment and the cash book balances on August 15, 1932, being reconciled with the balance in the collector's bank account as shown by a statement furnished by the bank of deposit.

The recorded collections were compared with the payments to the treasurer as recorded in the treasurer's and the accountant's books, the recorded abatements were checked with the assessors' records of abatements granted, and the tax titles applied to taxes were checked with the treasurer's records of town titles.

The outstanding accounts were listed and reconciled with the accountant's ledger accounts, a detailed list of the outstanding accounts being given to the assessors for recommitment. The outstanding accounts were further verified by mailing notices to all persons whose names appeared on the books as owing money to the Town, the replies thereto indicating that the accounts, as listed, are correct.

It is recommended that a determined effort be made toward a prompt settlement of the delinquent accounts, so that the tax levies of 1926 to 1929, inclusive, may be closed.

Appended to this report are tables showing a reconciliation of the late collector's cash and summaries of the tax accounts.

For the co-operation extended by the several town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

EDWARD H. FENTON,

Chief Accountant.

Cash balance August 15, 1932:

Interest	\$5.91	
Costs	.50	
	<hr/>	6.41

\$1,299.28

SELECTMEN'S REPORT

All regular appointments have been made as required by law. They appear in list of Town Officers and Committee.

All claims against the W. & L. Engineering Co., the contractors who had the contract to reconstruct Cochituate Road from the State Road to Five Paths in the year 1931, have at last been settled.

The Bond given by the contractor covers labor, materials and performance, but makes no provision for the cost of defending suit against the Town. All expense of court action and legal advice had to be paid by the Town.

The reconstruction of Main Street and Cochituate Road has been completed. This work was done as under Chapter 90 of the General Laws. The State Department of Public Works had full supervision of the work. The Town of Wayland acted as the contractor with the Highway Surveyor in charge. Citizens of the Town performed all labor on the job.

There were 135 citizens employed at various times. All material that could be purchased in Wayland was so purchased.

\$12,000.00 was appropriated for this work, like sums to come from the State and the County, making a total of \$36,000.

The total cost was \$40,732.49, the State and County each paying \$11,587.74½, the Town having to pay \$17,557.00.

This additional money was appropriated at the Special Town Meeting January 10, 1933.

The total payroll for the work was \$17,357.13.

All the money appropriated by the Town was paid to the citizens of the Town for labor or materials.

We wish to thank the officers of the Town for their cooperation during the year.

JOHN W. LEAVITT,
J. FRED WHEELER,
WILLARD C. HUNTING,

Selectmen of the Town of Wayland.

January 16, 1933.

REPORT OF BOARD OF COMMISSIONERS OF TRUST FUNDS

January 18, 1933.

To the Inhabitants of the Town of Wayland:

The Board of Commissioners of Trust Funds respectfully report as follows:

During the past year the following additional trust funds have been added to those under our management:

Library Trust Funds

Isaac C. Damon Will	\$1,000
---------------------	---------

Cemetery Trust Funds

Isaac C. Damon	\$100
Nellie Rice Fiske	100
Elsie S. Bull	100
Alice C. Maude	100

The following is a statement of the trust funds now under our jurisdiction in the custody of the Town Treasurer:

Library Trust Funds

\$500	Fourth Liberty Loan 4¼% bonds due October 15, 1938	\$500.00

REPORT OF THE WAYLAND PLANNING BOARD FOR THE YEAR 1932

Nineteen thirty-two has been a busy year with the Wayland Planning Board.

Having completed the skeleton of the first accurate Town map ever made, a work which has taken several years, the Board has had copies made, one of which was presented to the Board of Selectmen, another of which is to be placed in the Public Library, and others will be available for Town Officers as needed. Copies for the public will be made at cost.

At the request of the Board of Selectmen, a survey was made of Castle Gate South for use in connection with the possible laying out of this road.

Feeling that, with so much money being expended for welfare, the Town should be using the laborers available for work that would be of permanent value, the Board was of the opinion that the project which would offer the most opportunity for hand labor, and at the same time return the most benefit to the Town would be a system of drainage for the village of Cochituate, where there is much standing water and objectionable conditions regarding sewage. Plans have been prepared showing two large sections of the village with possible methods of draining them. These will be presented at the Town Meeting, it is expected. The work can be done piecemeal and spread over a long time, or it can be done at one stroke. Drain pipe will be required to complete the plan fully, but otherwise the project calls chiefly for labor. If this is carried out even in part, it will add greatly to the healthfulness of Cochituate and to its attractiveness as a place to live.

The surveys made are enlargements of sections of the Town plan and further enlargements will be made as funds are available.

The Board called together the zoning committee appointed by the Town for its first meeting and is much interested in its progress. We believe that the Town should adopt a suitable zoning law as soon as proper preparation can be made.

The Board has met regularly and feels that a great deal has been accomplished with the small appropriation available this year.

HARRY W. CRAIG,

Chief of Police.

REPORT OF THE FIRE ENGINEERS

The Cochituate and Wayland companies have answered ninety-four alarms the past year. Twenty-four of these were for buildings, the remainder for brush, woods and grass fires.

The department has had no large woods' fires to contend with this year; all being of a minor nature and easily controlled with the new equipment for forest fire work.

This accounts for the substantial balance from the appropriation for the year.

The Engineers are not asking for any special appropriations for the fire alarm system or new apparatus even though a new truck of larger capacity is needed for the forest fire equipment and the alarm system is not dependable.

The year ends with all equipment in good condition.

We have purchased Foamite equipment for both companies as the installation of oil burners in many homes is an added fire risk.

THEODORE H. HARRINGTON,
ERNEST H. DAMON,
ALBERT J. KEACH.

REPORT OF GAME WARDEN

During the year of 1932 I have looked over ninety-four sportsmen's licenses and patrolled one hundred and twenty-six hours; had four cases in court for violation of fish and game laws—two cases shooting on posted land, two cases fishing without a license.

The cases for shooting on posted land were filed and each case for fishing without a license was fined ten dollars.

CHARLES M. MAGORTY,

Game Warden.

SEALER OF WEIGHTS AND MEASURES

To the Board of Selectmen:

This is a report of work performed by the Sealer of Weights and Measures for the year ending November 30, 1932.

	<i>Scaled</i>	<i>Not Scaled</i>
Platform scales over 5,000 lbs.	5	
Platform scales under 5,000 lbs.	9

Respectfully submitted,

ALBERT B. MARCHAND,

Scaler of Weights and Measures.

REPORT OF BOARD OF HEALTH

Cochituate, Mass., January 20, 1933.

The Board of Health submits the following report for the year of 1932.

Contagious Diseases

Scarlet Fever	7
Measles	56
Chicken Pox	46
Dog Bite	8
Tuberculosis	1
Influenza	2
Mumps	60

Licenses Granted

Alcohol	11
---------	----

The permits issued by the Board are as follows:

Building Cesspool	1
Keeping Goats	1
Keeping Swine	4
Hauling Rubbish	1
Conduct Undertaking Establishment	1

The Board has investigated many complaints during the year. All contagious diseases that were reported were taken care of, but nothing can be done unless the case has been reported by the physician in charge or by the head of the family. The Board wishes that everyone would realize the necessity of knowing the General Laws governing contagious cases.

The Board has received a bill from the City of Quincy amounting to \$858.00.

Owing to the fact that this family has gained a residence in this Town it is compulsory for us to pay the bill.

We intend to list this in the warrant for unpaid bills.

WALDO L. LAWRENCE, *Chairman*,
ERNEST H. DAMON, *Clerk*,
JOHN J. LINNEHAN,

Wayland Board of Health.

REPORT OF MILK INSPECTOR

I herewith submit my report for 1932. There have been twenty-one licenses issued to dealers to sell milk in the Town of Wayland. The milk sold is from cattle inspected under State and Federal Supervision.

JOHN J. LINNEHAN,
Milk Inspector.

REPORT OF INSPECTOR OF ANIMALS

December 30, 1932.

Number of Cows inspected	397
Number of Young Stock	104
Number of Pigs	739
Number of Goats	15
Number of Dog quarantined	11
Number of Dogs killed of Rabies	2
Number of Goats killed of Rabies	2

Respectfully submitted,

F. J. BIGWOOD,
Inspector of Animals.

REPORT OF INSPECTOR OF SLAUGHTERING

As Inspector of Slaughtering for the unexpired term of W. C. Neal of 1932, I have inspected the carcasses of 26 animals and found them all in healthy condition.

Signed,

WARREN F. LAWRENCE,
Inspector of Slaughtering.

REPORT OF WAYLAND DISTRICT NURSE

Madam President and Members of the Wayland District Nursing Association:

I hereby submit my twelfth annual report for the year ending December 31, 1932.

One child was sent to a health camp at the expense of the Association.

The Massachusetts Department of Public Health offers free to Wayland pre-school children a monthly health examination. The future health of your boys and girls depends very much upon these most important first years of life, so make the most of this chance to safeguard your child's health and take advantage of this opportunity. A date will be set later.

It is hoped that the Organization will be able to resume the Dental Clinic next year. At the present time it is one of our most needed health projects. Due to unemployment, many parents have found it impossible to attend to their children's teeth.

Nursing visits	683
Cases opened during the year	89
Prenatal visits	18
Deliveries attended	3
Advisory visits	91
Friendly visits	30
Welfare visits	69

Respectfully submitted,

MARY E. McNEIL,

District Nurse.

REPORT OF HIGHWAY DEPARTMENT

To the Citizens of the Town of Wayland:

Materials

The past year there has been used 59,516 gals. of bituminous material on our highways, 42,761 gals. of Tarvia, and 16,755 gals. of cut back and asphaltic oil. 28,974 gals. of tar used was on Chapter 90 maintenance roads.

Fencing

Eight hundred feet of cable guard rail was constructed on Concord Road to replace wooden fence. Seven hundred and eighty-four feet of wooden fence was replaced in various parts of the Town caused by decay or destruction by machines.

Culverts

Two hundred feet of pipe was laid on Millbrook Road to remedy a bad situation at High Street. Four culverts were constructed across roads where stone culverts had become inadequate.

The dry bridge on Millbrook Road was replaced by one of cement four feet square.

There has been one hundred and thirty men employed at one time or another on the regular work of the Highway department.

Respectfully submitted,

ARTHUR H. DUDLEY,
Highway Surveyor.

REPORT OF THE BOARD OF PUBLIC WELFARE

The following is a summary of the number aided during the year.

Number of adults aided	82
Number of children aided	123
Total	205
Number aided here, settlement elsewhere	85
Number aided here, settlement here	93
Number aided elsewhere, settlement here	27
Number aided under Mothers' Aid law	3
Number in State institutions	1

Respectfully submitted,

RONALD S. CAMPBELL,
MARTIN A. HOLMES,
THOMAS W. FROST.

Bureau of Old Age Assistance

January 19, 1933.

Your attention is again called to the fact that the law providing for the relief of persons of seventy years or older is not a "Pension"—it is "Old Age Assistance".

The need of such assistance must be determined by a thorough investigation along many lines. One of these is the ability of the family to support. The intent of the law is to enforce family responsibility and not to substitute the State for the family.

Number of cases aided during 1932	21
Number of cases not allowed for various reasons	6
Number of deaths during the year	2

RONALD S. CAMPBELL,

Agent.

REPORT OF PARK COMMISSIONERS

Appropriation for 1932	\$350.00
Expense for 1932	268.71
	<hr/>
Unexpended balance	\$81.29

Respectfully submitted,

JOHN B. WRIGHT,
CAMILE PERODEAU,
FRANCIS R. GLADU.

MIDDLESEX COUNTY EXTENSION SERVICE

Following is a report of the work of the Middlesex County Extension Service as developed during the year in Wayland.

A great deal of interest was manifested by the local fruit growers and market gardeners and many requests were received for individual farm visits. Motion pictures were taken in the town that will be used in promoting better spraying methods the coming year. A general fruit meeting was held and also a meeting on apple storage.

Fifteen visits were made to individual dairymen and poultrymen.

Judges were furnished for the Cochituate Grange Fair.

Wayland farmers attended meetings of various kinds at the Extension office. Conspicuous among these are Joseph Decatur and Ronald Campbell. Mr. Decatur grew 28 acres of potatoes with an average yield of 380.99 bushels an acre. Mr. Campbell grew 8 acres which averaged 368.45 bushels. Mr. Decatur has been carrying on some experimental tests in potato varieties and fertilizers.

There were 25 women in attendance at the meetings of the homemaker's day series. This group has been active in Extension work for a number of years. They passed along information to 206 others, and they report 368 practices which have been improved.

In child guidance work 15 women have been in attendance, and these women passed information to 64 others, as well as adopting 191 new practices in respect to their relationships with their children.

Clothing, handicraft, food, poultry, garden, and canning were the projects in which boys and girls were enrolled. They worked under the leadership of Mrs. Joseph Decatur, Henry

Hardy, Stanley Hewitt, Miss Beatrice Chute, and Elmer Bigwood. There were 47 members.

The Wayland Clothing Club exhibited their work at a meeting of the Parent-Teachers' Association and at the Natick Fair. All six members participated in the County dress contest. Muriel Moran was awarded a two-day trip to the State College for clothing work. Ruth Decatur received this trip for being highest in the County in music work.

Three members attended the County Camp at the State College.

Francis Hartin was a prize-winner for handicraft at the County rally. He also received a two-day trip to the State College for his handicraft work. Alexander Hardy and John Lindstrom took part in the County handicraft contest in Waltham.

The town committee has F. C. Benedict as chairman; and Mrs. Decatur, Mrs. Frank Draper, and Mr. Henry Hardy as members.

REPORT OF 200th ANNIVERSARY OF THE BIRTH OF WASHINGTON

The United States George Washington Bicentennial Commission in celebrating the two hundredth anniversary of the birth of George Washington was entirely in keeping with the idea expressed by the Congress of these United States, and every State had its own officers. Prof. Albert Bushnell Hart of Cambridge was chairman for Massachusetts. Hon. Joseph B. Ely, Governor of Massachusetts, was honorary chairman with a staff of sixteen from different sections of Massachusetts representing the Commission. To the Honorable Board of Selectmen of Wayland was given the honor of appointing a Committee to serve during the year 1932. They felt the three patriotic societies of the Town should care for and suitably observe any event.

Mrs. Nellie Rice-Fiske to represent Wayside Inn Chapter, Daughters of the American Revolution, was made chairman; Arthur Heard Dudley, Commander of Charles H. Alward Post, No. 133, American Legion Incorporated, and Mrs. Evelyn Alward, President of the Charles H. Alward Unit, were also appointed, and later on many more were added to this committee.

Falling in line with towns and cities throughout the Commonwealth, the festivities opened with a Colonial Ball in Town Hall on February 22nd, 1932. Brigham's full Orchestra gave a concert from 8 till 9. At the conclusion all were invited to stand and unite in singing two verses of America by special request from the Commission at Washington. This was followed by Grand March and Circle led by John J. Erwin and Mrs. William Hastings, followed by nearly one hundred couples. Many were in Colonial costumes and presented a colorful appearance as they marched up sixteen couples abreast. Dance orders included Waltz, Polka, Schottische, Contra, Quadrille. At eleven o'clock delicious refreshments were served by a

caterer, after which dancing continued. *This party was financed by the Committee and in no way was benefitted by the appropriation the Town made of \$150 at the Annual Meeting in March.*

As the new George Washington Memorial Highway was to pass directly through our Town we were called upon to purchase the Bronze Tablet and place in a conspicuous position either on a block of granite or a public building in the center of the Town. There seemed to be but one suitable place—"the little common opposite the old meeting house"—and it was the desire of your committee to place it on something suitable to the era it represented. What could be more suitable than two old millstones, the one resting on the ground the gift of Henry Ford to Mrs. Fiske, the upper one, bearing the bronze tablet, a gift from Mrs. Fiske. This stone had ground corn by four generations of the Rice family from about 1750 to 1878, being owned and used by Eliakim, Ezekiel, Samuel and Alonzo Rice in that part of Wayland later called Cochituate.

As the line of march laid out by the Commission was due to arrive in Wayland on June 10th, 1932, at 10 A. M., the inhabitants were notified to assemble and greet George Washington (Lawrence Hart). On his arrival where he addressed the gathering surely all were pleased with the reception given him. After he departed, the Cavalcade which had toured the length of the State bearing the State Dignitaries arrived and the dedication exercises took place which consisted of the following:

Patriotic selections by the school children under the direction of Mr. Schleicher.

Address of welcome, John Leavitt, Chairman, Board of Selectmen.

Oration on George Washington by Stacy B. Southworth, Head Master, Thayer Academy, Braintree.

Presentation of Tablet to State by Mrs. Nellie Rice-Fiske.

Acceptance, John H. Agnew representing His Excellency Governor Ely.

Unveiling by Kendall Dickey and Kenneth Campbell who are descended from the earliest settlers of the Town.

The millstones were most artistically draped by Mr. and Mrs. Lizzotte. Each and every one had done their bit to add to the attractiveness of our Town. Even the weather man had sent his best sample.

Your committee thanks the townspeople for giving them such loyal support and such a large number appearing in costumes of so long ago, all adding much to the affair.

NELLIE RICE-FISKE,

Representing Wayside Inn Chapter, D. A. R.

ARTHUR HEARD DUDLEY,

Commander of Legion.

EVELYN ALWARD,

President of Auxiliary.

SCHOOL COMMITTEE REPORT

In making a report for the last fiscal year, your Committee would say that our appropriation was on a basis of \$4,000.00 less than we had asked for from the Finance Committee, and we have lived within this appropriation by cutting the teachers' salaries 10% on September 1st, and the school janitors, 5%. We have also been able to purchase fuel at a very low figure, and have only purchased books and supplies that were absolutely needed. Repairs and replacements were cut to a minimum. This enabled us, as we say, to "balance our budget."

We might add at this time that the Superintendent, Principal of the High School, teachers and janitors, have cheerfully accepted their cut in pay, and have also carried heavier burdens without complaint.

We know that the cities and towns of the state are clamoring for smaller school expenditures. The budget which we have prepared this year recognizes the necessity of bringing down our costs to a minimum. Our request made to the Finance Committee is on this basis.

The school buildings of Wayland, as you know, are being used to their maximum capacity. We would call your attention to the fact that for the last school year, we have an increase of almost 12% in the number of children registered in the elementary schools, and some relief is absolutely necessary.

The Building Committee, appointed by the Town at its last meeting, have given very careful consideration to this subject, and we trust that when their report and recommendations are presented to the Town at its annual meeting, that no hasty decision will be made.

The reports of other school officers follow, and trust you will give them careful consideration.

LEWELLYN MILLS,
WARREN L. BISHOP,
DOROTHY C. STONE,

School Committee.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Wayland School Committee:

It is an esteemed honor to present my twenty-third report. It is the thirty-sixth in the series of reports from this office.

The statistics compiled for the Annual State Returns show a high school enrollment of 123, the same as last year. There are 47 more children enrolled in the elementary schools than last year, an increase of nearly 12%. A study of these statistics indicates that another year the High School enrollment will be about 140. These comparisons are made to indicate to you that the providing of space in our rooms to care for our boys and girls is each year becoming more and more complicated, already very near the point that not another student can be accommodated.

It is a pleasure to report to you that our teachers are carrying a heavier burden of work than heretofore cheerfully and vigorously with reduced compensation besides giving material aid to children in a quiet way.

The number of boys in the high school who would be working if work were available for them is much increased. These young men are not especially interested in much of the work we have to offer them. Our young ladies are provided with courses in household arts. Our boys have no such choice. They must either take commercial or college preparatory subjects of a combination of same.

As it seems to us that some provision should be made for these young men we are recommending that a reasonable course of employment be given them in physical education and that credit toward graduation be granted for same. We should provide for a time requirement and a standard of attainment comparable to requirements for academic subjects. We believe this plan as briefly outlined to be a creditable experiment in education.

The very best work that the school offers some of our boys is given them on the athletic field. It is not play but very intensive work for a considerable period of time. There is no credit given. The hope of victory is high. The thrill of victory often carried off by opponents. Added to the depression of defeat is the chagrin engendered by thoughtless criticisms of those who would have them win. I hope that we may add the zest of winning diploma credits to this very worthy line of education offered our high school boys.

We have reason to be highly pleased with the records of our graduates in college and normal school. It is a very great personal joy to me to note the successes of our graduates.

Miss Ena Tillson has again been getting her practice work in our schools; this year working with the high school girls.

Respectfully submitted,

FRANK H. BENEDICT,

Superintendent of Schools.

REPORT OF THE HIGH SCHOOL PRINCIPAL

Supt. Frank H. Benedict,
Cochituate, Mass.

Dear Mr. Benedict:

I herewith submit to you my fifteenth annual report as Principal of the Wayland High School.

The maximum enrollment of the school to date is 123 students. Of these 60 are boys and 63 are girls.

The present enrollment is 113 students. Of these 55 are boys and 58 are girls.

The following tabulation shows the present enrollment by classes:

	<i>Boys</i>	<i>Girls</i>	<i>Total</i>
Freshman	20	14	34
Sophomore	19	18	37
Junior	7	14	21
Senior	5	8	13
Post Graduate	4	4	8
Total	55	58	113

You will note that there are eight of last year's graduating class back in school for additional work. These students have not been able to find work and prefer to attend school to being on the street. In normal times it is a rare thing that students come back for extra work. Many schools have the students who are planning to enter college return for extra work. At Wayland these students do the extra work after school hours with the teachers and are able to go to college at the end of four years of work. I cannot say how much longer the school will be able to continue this policy.

The organization of the school is about the same as it has been for several years. In addition to the work of last year

Miss Tillson is giving work in Physical Education to the girls and Miss Blackmer is making it possible for students to receive special work in subjects that they did not do in regular class work. Miss Blackmer is doing practice work in the high school and the grades.

The point that I wish to bring especially to your attention is the need for more rooms in which to do the work of the school. I have called your attention to this for a number of years but no new rooms have been provided. I am using rooms that were never intended for classes.

At present there are a few extra roll seats but in another year or so, I can see that I cannot assign all the students to roll seats. Something should be done at once to provide more rooms for the high school.

For some years the classes in Chemistry and Physics have gotten the laboratory work in these subjects done as best they could in space intended for six students. This year the Chemistry class has 27 students in it. The larger part of this class is not doing individual laboratory work. The few students who have some prospect of going to college are doing laboratory work in order to qualify for college in a laboratory science. It looks as though this sort of thing will have to continue until better space is provided for the work.

A similar situation holds in Typewriting. There are 13 typewriters and no more can be used in the present typewriting room. This year there are more students asking for the work than can be seated in the class. If this condition holds next year, the thing to do is to drop from the class those students whose record indicates that they have little prospect of doing the work.

Sincerely yours,

DAVID J. ALLEN.

Wayland, Mass., January 2, 1933.

REPORT OF SCHOOL PHYSICIAN

January 16, 1933.

Mr. Frank H. Benedict,
Supt. of Wayland Schools,
Cochituate, Mass.

Dear Mr. Benedict:

I herewith have the honor of submitting my report as Physician of Wayland Schools for the fiscal year of 1932.

Each student was carefully examined and the defects if any were noted and recorded. There seemed to be a smaller percentage of tonsil and adenoid cases than in previous years.

Unless the dental clinic can be continued the teeth are soon going to show the need of much dental work. Skin infections like scabies and impetigo have been quite numerous. These two diseases require the faithful co-operation of parents and students in order to eradicate the same.

The Board of Health, acting with the School Department, arranged for a Toxin-antitoxin clinic. All students wishing to be immunized received the regulation dosage. Those who received this treatment were duly Schicked in about six months.

I wish to thank you, the school nurse, the teachers and students for their co-operation in this work.

Respectfully submitted,

ERNEST E. SPARKS.

REPORT OF THE SCHOOL NURSE

Mr. Frank H. Benedict,
Supt. of Wayland Schools,
Cochituate, Mass.

Dear Sir:

I hereby submit my twelfth annual report for the year ending December 31, 1932.

As in former years, I have visited both school buildings daily. Sight and Hearing Tests were given. Children were weighed and measured every three months. The school physician was assisted in making the annual physical examination of pupils, and, as heretofore, notices of defects were sent to parents.

Several clinics were held during the year. In January the physicians from the Worcester State Hospital were assisted in examining our three year retarded group of children. In June Dr. Sparks was assisted in giving the toxin-antitoxin treatments to pupils and to a small group of pre-school children. These same children were given the Schick Test in December.

The presence of some contagion and infection in the schools since September has necessitated close supervision. A number of cases were referred to the school physician.

In June I visited the homes of children who were to enter school in the fall. It was urged that these children be taken to their family physicians in order that any defects might be corrected before September.

During the summer months, a large group of school children needing tonsil and adenoid operations were cared for at the Framingham Hospital. This clinic was sponsored by the District Nursing Association.

Considerable welfare work has been done among the school children.

Home visits to school children	240
Children accompanied home because of illness	16
Children excluded from school because of infection	48
First aid treatments	14

Respectfully submitted,

MARY E. McNEIL,

School Nurse.

REPORT OF THE SUPERVISOR OF ATTENDANCE

Mr. Frank H. Benedict,
Supt. of Wayland Schools,
Cochituate, Mass.

Dear Sir:

During the past year I have had twenty cases of absence reported to me.

Number having no legal excuse	19
Truants accompanied to school	6
Court cases (finding made in favor of School Department)	1

For my report of the School Census, I refer you to the figures on the following page, prepared for the annual state returns.

MARY E. McNEIL,
Supervisor of Attendance.

WAYLAND

Transportation cost per day per pupil transported, \$.15; tuition cost for all instruction and janitor service, \$.35 per day per pupil; cost per pupil per day—total expenditures, \$.45.

REPORT OF THE LIBRARY TRUSTEES

The purchase of new books the past year has been somewhat curtailed, owing to expenditures for extensive repairs on the roof of the main building, which took some \$400 of the Town appropriation. Gifts of books from kind friends have, however, resulted in an acquisition of 866 new volumes in all, for the year, which is not much below our average.

Reference to the Librarian's Report to the Trustees shows an increase in circulation of 3,000 volumes for the year, making a record-breaking circulation of 33,000 books.

A new building for the Cochituate Branch is much to be desired, as its present quarters are wholly inadequate. This cannot be considered by the Town under present economic conditions, but we hope it may be realized in the near future.

AMOS I. HADLEY, *Chairman*,
ALFRED W. CUTTING, *Clerk*,
NELLIE RICE-FISKE,
RICHARD AMES,
J. SIDNEY STONE,
JAMES R. MARTIN,

Trustees.

REPORT OF THE WAYLAND WATER BOARD

To the inhabitants of the Town of Wayland:

The Board organized with Walter S. Bigwood, *Chairman* and Alfred C. Damon, *Secretary and Collector*. Louis Pettigrew was reappointed Engineer.

Excessive Use of Water: The amount of water used at periods during the summer season now nearly equals the capacity of the station. The Board wishes to warn against the wasteful and continual use of water on lawns and gardens.

The entire Town is supplied from the station at Baldwin's Pond. No water is being taken from the reservoir on Rice Road. The station is limited as to the amount of water that can be pumped and with reasonable use no difficulty would be encountered in keeping up the supply. There were times last summer when there were only 100,000 gals. of water stored in the standpipe.

Unless some caution is used in the wasteful use of water it will be necessary for the Town to install additional wells or meter the entire system at a considerable expense.

The Board wishes to call your attention to Article 2, Rules and Regulations of the Wayland Water Board.

"Applicants for service shall state in their application all the purposes for which they intend to use water, and no other use thereof shall be made. No fixtures other than those stated in this application shall be installed by the consumers without giving written notice to the Board of Water Commissioners."

The contract for the extension of 6-inch water main from Wayland Golf Club along Old Sudbury Road to River Road through River Road to residence of James Solimine and from the junction of River Road and Water Row, along Water Row

to the residence of Frederick Gilly was awarded to J. J. Ducey Construction Company for the sum of \$3,200.

During the past year there were ten leaks in the water mains, all of which occurred in the wooden mains along Old Connecticut Path and Sycamore Road. These pipe lines will have to be relaid in the near future.

We wish to thank the Wayland Chapter of the American National Red Cross for their co-operation in handling the bathing situation at Baldwin's Pond in such an efficient manner.

WALTER S. BIGWOOD, *Chairman*,
ALFRED C. DAMON, *Clerk*,
FRANCIS K. IRWIN.

Report of Superintendent of Water Works

Main line work:

Connection was made between the 12-inch and 4-inch mains on North Main Street opposite Sunset Road with a 6-inch pipe and 6x4 cross with 6-inch stub end and valve leading to Sunset Road. A main valve was placed on 4-inch line ten feet south of cross. The 4-inch main is now supplied from the 12-inch main at both ends with controlling valves at either end. Two tees were cut in on 4-inch main with stub ends and valves leading to side roads. All main valve-boxes on new road from Memorial Square to Mr. Shaw's barn had to be adjusted to new grades. Twelve broken boxes had to be replaced with new.

Main Extensions:

Sudbury Road—River Road (contract)	6-inch, 3,000 ft.
River Road (Water department)	4-inch, 220 ft.
Water Road (Water department)	4-inch, 180 ft.

Blow-off installed:

River Road	2
------------	---

Gate valves installed:

Sudbury Road	6-inch	1
North Main Street	6-inch	1
North Main Street	4-inch	3

Markers for main gate valves were put in on Lincoln Road, Glezen Road, Connecticut Path.

Service Line Work:

All old services on North Main Street were renewed from main to property line before new road was constructed. All services on same road were connected to main nearest property doing away with digging across road for future service repairs. Service boxes on other parts of system were brought to grade and broken boxes replaced.

New services installed 1932	14
Service pipe installed	810 ft.
Services renewed main to property (Cochituate)	33
Service boxes brought to grade	40
Service boxes replaced with new	12

Hydrants:

Four hydrants on new road had to be raised 1 to 1½ feet, five were moved back 3½ to 7 ft. Hydrant at corner of Sunset Road was replaced with repaired Mathews hydrant, moved back to edge to sidewalk and gate valve put on hydrant pipe. Hydrant between Mr. Charles Mathew's and Mr. Doran's property on North Main Street was taken out. Hydrant on East Plain Street near property of Mr. Knox Brown was removed and replaced with repaired Mathews gate valve. Hydrant on West Plain Street near Mr. Chadwick's property was raised and gate valve installed. Hydrant on West Plain Street near property of Mr. Charles Carter was taken out and replaced with Ludlow Traffic hydrant and gate valve installed. Hydrant East Pond Street between property of Mr. Arthur Stevens and Mrs. Caroline Loker raised 1 ft.; hydrant Simpson's Corner raised 1 ft.; hydrant Connecticut Path near Indian Road raised 1 ft. and gate valve installed; hydrant on Plain Road near property of Mr. Phipps taken out and replaced with Ludlow Traffic; hydrant on Harrison Street taken out and replaced with Ludlow Traffic and gate valve installed. New valves were put in on hydrants near old Wayland Inn site and Sudbury Road. All hydrants replaced were defective. Of the hydrants taken out three were repaired for service, three were beyond repair. Hydrants were checked before cold weather.

Leaks:

Main Connecticut Path (wooden)	7
Main Sycamore Road	3
Gate valve packing leaks	5
Service leaks (Cochituate)	7

Wells:

The thirty driven wells at station grounds were tested and cleaned. Only one well was found with sand. Pipes from wells to main were inspected for leaks. Packing boxes on well gate valves were tightened. Pipes from the three wells nearest Baldwin's Pond settled and caused cracked goosenecks. The 4-inch main which these wells led into also settled. These wells are now shut off. The lower line of well pipes on swampy ground have given trouble since the start on account of settling. The well pipes on the upper line have given no trouble.

Meters in use 1932 23

Gallons of water passed through meters, 1932—7,846,245

Pumping Station:

The station had to be run day and night at times in the summer season.

Smallest week January 25-31—average per day, 180,962 gals.

ALFRED A. LAMARINE,

Superintendent.

REPORT OF CEMETERY COMMISSIONERS

1933

During 1932 four hundred dollars (\$400) was received to establish Perpetual Care Funds, for burial lots, as follows:

- \$100 received from the Harvard Trust Co., left under the will of Isaac C. Damon to establish the "Isaac C. Damon Fund" for perpetual care of the family lot.
- \$100 received from Nellie Rice Fiske to establish the "Nellie Rice Fiske Fund" for perpetual care of the family lot in Lake View Cemetery.
- \$100 received from Mrs. Elsie S. Bull to establish the "Elsie S. Bull Fund" for perpetual care of two lots in Lake View Cemetery.
- \$100 received from Mrs. Alice C. Maude to establish the "Alice C. Maude Fund" for perpetual care of a lot in Lake View Cemetery.

Although the first two above donations were included in the Warrant of the Annual Town Meeting and were accepted by the Town of Wayland at the Annual Town Meeting of March 9th, 1932, they were not included in the last report of the Cemetery Commissioners, as they were received after January 1st, 1932; hence the Cemetery Commissioners include them in this report.

Including the above donations there is a total of \$17,900 invested under the direction of the Board of Commissioners of Trust Funds.

By the sale of burial lots the sum of \$260 has been turned in to the Town Treasurer.

For the financial condition of the Cemetery Commission see report of the Town Accountant for the year 1932.

Respectfully submitted,

JAMES M. BENT, *Chairman*,
HOWARD W. PARMENTER,
WILLIAM READ, *Clerk*.

INVENTORY OF TOWN PROPERTY

Inventories of property from all departments, taken at the close of the year 1932, are in the hands of the Treasurer and may be inspected by any interested voter of the Town.

F. G. MACKENNA,
Treasurer.
